UNIVERSITY OF WISCONSIN SYSTEM

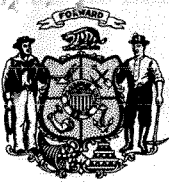

Use of Universal Service Fund Moneys

Motion:

Move to authorize the use of moneys from the universal service fund (USF) to pay for any telecommunications services System-wide, rather than only for telecommunications services provided by the Department of Administration (DOA) to the campuses at River Falls, Stout, Superior, and Whitewater as under current law.

Note:

Under current law, the UW System is provided \$1,054,800 SEG of annual funding for telecommunications services provided by the Department of Administration to the campuses at River Falls, Stout, Superior, and Whitewater. Based on information provided by staff at the UW System, a portion of these services are now provided by a private vendor, and the USF moneys have not been fully utilized by the UW System in 2006-07. Under this motion, current law would be modified to be less specific in its reference to DOA and the four specific campuses, which would allow the UW System to use these moneys to support any telecommunications services.
